

Bus service FAQs

The wonderful team at Stagecoach have been volunteering their time and services at the Five Valleys Walk every year since the event began.

Buses run between 11.00am and 4.45pm.

Pick-ups are approximately every hour (traffic dependent).

We cannot guarantee there will be a bus at the checkpoint when you arrive. You will need to disembark at the depot transfer point and wait for the next available bus to take you back to your start point. Please be aware that this may involve a wait.

Bus pick-up-point - please check with staff at the checkpoint as to where the bus stop is.

Dogs are welcome on the buses.
